

I registered for the mentoring program on the HBA website. What is the next step?

Once you register for the program on the HBA registration page, you will automatically receive a confirmation email outlining next steps and setting expectations.

The link to the matching survey will be emailed to you within one week of registration. This is a key step in the process. The application takes about 10 minutes and will also be used to assign you to a mentoring circle or a mentor for the EMEA, Canadian, Latin American and Asia-Pacific programs. If you don't receive the email within one business day, please check your SPAM/junk folder as the email can sometimes be redirected there, or email us at mentoring@hbanet.org.

You cannot be matched until your survey is completed. Please take your time to answer the questions thoughtfully and submit your answers as soon as possible to ensure your best possible match.
